

RecordableData

```
graph BT; GenericData --> RecordableData; SoundData --> RecordableData; TransformData --> RecordableData;
```

The diagram illustrates a class hierarchy. At the top is a box labeled 'RecordableData'. Below it, three boxes labeled 'GenericData', 'SoundData', and 'TransformData' are arranged horizontally. A horizontal line connects the top of these three boxes, and a vertical line with an upward-pointing arrow connects the center of this horizontal line to the bottom of the 'RecordableData' box, indicating that 'RecordableData' is the superclass for the other three.
